MINISTRY OF HOME AFFAIRS

New Delhi, the 7th February 1966

S.O. 541.—In exercise of the powers conferred by the proviso to article 309 of the Constitution of India, the President is pleased to make the following rules, namely:—

RULES

1. **Short title and commencement.**—(1) These rules may be called the Manipur Employees (Revision of pay) Rules, 1966.

(2) They shall be deemed to have come into force on the 1st day of April, 1964.

2. **Application of the rules.**—(1) Save as otherwise provided by or under these rules, these rules shall apply to all persons appointed to such services or posts in connection with the affairs of the Union territory of Manipur as are under the rule-making control of the President.

(2) These rules shall not apply to:—

- (a) persons not in whole-time employment;
- (b) persons appointed on contract except where the contract provides otherwise;
- (c) persons paid otherwise than on a monthly basis including those paid on piece-rates;
- (d) persons re-employed after retirement; and
- (e) persons specifically excluded wholly or in part by the President from the operation of these rules.

NOTE.—These rules shall apply to members of the work-charged establishment holding posts carrying identical pay scales as are admissible to members of the regular establishment of corresponding categories or where there is specific entry in the Schedule relating to such staff.

3. **Relaxation of rules.**—Where the President is satisfied that the operation of any of these rules causes undue hardship in any particular case, he may, by order, dispense with or relax the requirements of that rule to such extent and subject to such conditions as he may consider necessary for dealing with the case in a just and equitable manner.

4. **Power of interpretation.**—If any question arises relating to the interpretation of these rules, it shall be referred to the Central Government in the Ministry of Home Affairs and the Central Government shall decide the same.

5. **Definitions.**—In these rules, unless the context otherwise requires,—

- (i) 'basic pay' means pay as defined in Fundamental Rule 9(21)(a)(i) and includes special pay where such pay is attached to the existing scale in lieu of a prescribed scale and has been shown in the Schedule to have been merged in the revised scale.

- (ii) 'completed years of service' means the completed years of service rendered in a substantive, officiating or temporary capacity in any post or cadre or class within the cadre and includes
  - (a) all broken periods of such service;
  - (b) the period of (i) deputation out of India, or (ii) service on temporary transfer to another department of the Government of the Union territory of Manipur or to the Government of India or to any other Government, or (iii) foreign service, or (iv) officiation in a higher post or posts but for which the Government servant concerned would have continued to officiate in the lower post; and
  - (c) the period of leave other than extraordinary leave: provided that in the case of a temporary or officiating Government servant, the period of such leave shall be limited to the period during which he would have continued to hold the post but for his proceeding on leave.
- (iii) 'corresponding pre-revised scale' means the scale or scales of pay theretofore attached to a post or cadre or class within the cadre which were revised from time to time and which are being replaced by the revised scale;
- (iv) 'existing scale' means the scale of pay applicable to a Government servant in respect of the post held by him in a substantive or officiating capacity on the date on which he is, under these rules, entitled to draw pay in the revised scale;

NOTE.—Scales of pay which are personal to certain incumbents will also be treated as 'existing scale' for the purpose of these rules.

(v) 'Government' means:—

- (a) the Manipur Administration in relation to the period upto and inclusive of the 30th June, 1963; and
- (b) the Government of Union territory of Manipur in relation to any period subsequent to that date.

(vi) 'present emolument' means the emolument of a Government servant in relation to the existing scale on the date on which he becomes entitled, under these rules, to draw pay in the revised scale and includes:

- (a) basic pay;
- (b) special pay, if any, merged in the revised scale of pay;
- (c) dearness or cost of living allowance appropriate to the basic pay, special pay, if any, merged in the revised scale of pay; the extra dearness allowance of six rupees, where admissible; ad hoc increase in dearness allowance, sanctioned in Manipur Administration, Finance Department Resolution No. FB/32/50-(DA)/58(III), dated the 23rd April, 1958, and the cash allowance of Rs. 13.50 paise, where admissible.

NOTE.—(a) Dearness or cost of living allowance in respect of an unmarried Government servant shall, for this purpose, be calculated at the rate which would be admissible to him if he had been a married Government servant on the date on which he becomes entitled, under these rules, to draw pay in the revised scale of pay.

(b) Where basic pay is less than Rs. 1,100 per month but where the aggregate of basic pay and cost of living allowance amounts to Rs. 1,100 or more per month, only Rs. 1,100 shall be taken as emolument.

(c) 'Present emolument' shall not include the interim relief sanctioned with effect from the 1st April, 1963.

(d) The existing rates of dearness or cost of living allowances are given in Appendix IV.

(e) In the case of armed personnel of Manipur Rifles who are in receipt of free ration, 'present emolument' shall not include the cash allowance of Rs. 13.50p. In their case the dearness or cost of living allowance appropriate to the basic pay will be at the reduced rates of dearness allowance which they are now enjoying.

(vii) "publication of the Rules" means publication of rules by a notification published in the Official Gazette;

- (viii) 'revised scale' means the scale of pay specified in column 4 of the Schedule;
- (ix) 'Schedule' means the Schedule annexed to these rules;
- (x) 'service' means all service rendered in a temporary officiating, substantive or probationary capacity, whether continuous or non-continuous, and includes periods spent on leave other than extraordinary leave, joining time, deputation, foreign service, officiating promotion or temporary transfer to another department of the Government of the Union territory of Manipur or the Government of India or any other State Government;
- (xi) 'total emolument' means the present emolument as defined in sub-rule (v) plus the interim relief sanctioned by the Government of India, Ministry of Home Affairs in their letter No. 1/56/62-MT, dated the 23rd October, 1963, with effect from the 1st April, 1963, except that the entire amount of the dearness or cost of living allowance actually admissible to a Government servant shall be taken into account and the dearness or cost of living allowance shall be calculated at the rates admissible to a married Government servant even if he happens to be unmarried.

NOTE.—(a) Words and expressions not defined in these rules, shall have the same meanings as in the Fundamental Rules and Supplementary Rules.

(b) The rates of interim relief are given in Appendix IV.

**6. Application of the revised scales of pay.**—Save as otherwise provided in these rules, a Government servant who was in service on the 31st March, 1964, or who was appointed to any post or service on or after the 1st April, 1964, shall draw pay in the revised scale applicable to the post/service which he has been holding or to which he has been appointed, as the case may be, provided that a Government servant who was in service on the 31st March, 1964, or who entered service on or after the 1st April, 1964, but before the date of publication of these rules, may, at his option, continue to draw pay in the existing scale until the date on which he earns his next or any subsequent increment in the existing scale, or until he vacates his post or ceases to draw pay in that scale.

NOTE.—(i) The option to retain the existing scale under rule 6 shall be admissible only in respect of one existing scale, that is to say—

(a) in the case of a person having no lien on a permanent post under the Government, in respect of the existing scale of pay of the post held on the date of publication of these rules; and

(b) in the case of a person having a lien or a suspended lien on a permanent post under the Government, in respect of the existing scale of pay either of the permanent post held substantively on the date of publication of these rules or the officiating on temporary post, if any, held on the said date.

(ii) Where a Government servant exercises option, under clause (b) of Note (i), to retain the existing scale of pay in respect of a post held by him in an officiating or temporary capacity, his substantive pay for the purpose of Fundamental Rule 31, shall be the substantive pay which he would have drawn had he retained the existing scale in respect of the permanent post on which he holds a lien or would have held a lien had his lien not been suspended.

(iii) Unless provision has been made to the contrary in the Schedule, the revised scales are applicable to members of the work-charged establishment of the corresponding categories.

(iv) Re-appointment after a break in service to a post or service on or after the 1st April, 1964, shall in all cases, be treated as first appointment for the purpose of these rules.

**7. Dearness and other allowances on retention of the existing scale.**—A Government servant exercising option to retain the existing scale under rule 6, shall continue to draw, until the expiry of the period for which the option remains operative or until he vacates the post held by him or ceases to draw pay in the pre-revised scale, whichever may be earlier, pay on the existing scale, special or personal pay, if any, the dearness allowance appropriate to the pay on the existing scale and special or personal pay, if any, at the rates in force on the 31st March, 1964, including the extra-dearness allowance of six rupees per month, if admissible, and *ad hoc* increase in dearness allowance at the rate admissible to him under the

existing orders of Government, the cash allowance of Rs. 13.50 P. per month, if admissible to him and also the interim relief sanctioned with effect from the 1st April, 1963, subject to the condition that in no case shall dearness allowance be drawn so as to make the aggregate of pay in the existing scale, special or special pay, if any, and the dearness allowance, exceed the ceiling of Rs. 1,100 per month, the excess, if any, beyond Rs. 1,100 per month, being treated as personal pay to be adjusted against future increases of pay.

**8. Exercise of option.**—(1) The option under rule 6 shall be exercised in writing and submitted to the authority mentioned in sub-rule (3) within sixty days of the date of publication of these rules or of the orders revising the existing scale, whichever is later, provided that—

- (a) in the case of a Government servant who is on that date out of India, on leave, deputation or foreign service, the said option shall be exercised in writing and submitted to the appropriate authority within sixty days of the date of taking over charge of his post in India; and
- (b) where a Government servant is, on the 1st April, 1964, under suspension or is placed under suspension with effect from a date subsequent to the 1st April, 1964 but prior to the date of expiry of the period of sixty days from the date of publication of these rules, the option may be exercised in writing and submitted to the appropriate authority within sixty days of the date of his return to duty if that date is later than the date prescribed in this sub-rule.

(2) The option once exercised, shall be final and shall not be liable to modification at any subsequent date.

(3) The option shall be exercised in the form appended to these rules (Appendix I) and shall be submitted

- (a) by a gazetted Government servant, to the Accountant General, Assam and Nagaland, and
- (b) by a non-gazetted Government servant, to the heads of his office.

**NOTE.**—It should be noted that mere exercise of an option within the specified time limit by a Government servant is not sufficient. He should send it by registered post acknowledgment due so that it may in the ordinary course of post, reach the appropriate authority within the prescribed time limit.

(4) If the declaration of a Government servant regarding option is not received within the time mentioned in sub-rule (1) he shall be brought over to the revised scale of pay with effect from the 1st April 1964 or the date of appointment, as the case may be.

(5) The Government of Manipur, may by special orders, extend in any case or class of cases, the period of sixty days prescribed in sub-rule (1).

**9. Fixation of initial pay in the revised scales.**—(1) The initial pay of a Government servant who was in service on the 31st March, 1964, and is liable, under these rules, to draw pay in the revised scale, shall, unless in any case the President, by special order, otherwise directs, be fixed, on the date such Government servant becomes so liable, in respect of the post or posts referred to in sub-rule (2) in accordance with either of the following two formulae, whichever is more favourable to him, provided that if his present emolument is more than Rs. 750 per month and he is not entitled to the marginal adjustment laid down in Note (1)(c) below, clause (A) of formula No. 2, it shall be fixed under formula No. 1.

#### *Formula No. 1*

(A) The initial pay shall be fixed—

- (i) if the amount of the present emolument falls short of the minimum of the revised scale, at the minimum of the revised scale;
- (ii) if the amount of the present emolument corresponds to a stage in the revised scale, at the stage next higher in the revised scale; and
- (iii) if the amount of the present emolument is intermediate between two stages in the revised scale, then at the higher of such stages.

(B) (a) After his initial pay is fixed as indicated in clause (A), a Government servant shall be given weightage, by way of advance increment in the revised scale as indicated below:—

- (i) if the maximum of the revised scale is not more than Rs. 140, one increment for every three completed years of service rendered in the corresponding pre-revised scale subject to a maximum of three increments;
- (ii) if the maximum of the revised scale is more than Rs. 140 but not more than Rs. 200, one increment for every four completed years of service rendered in the corresponding pre-revised scale subject to a maximum of two increments; and
- (iii) if the maximum of the revised scale is more than Rs. 200 but not more than Rs. 500, one increment for every five completed years of service rendered in the corresponding pre-revised scale subject to a maximum of one increment.

(b) If the maximum of the revised scale is more than Rs. 500, no advance increment shall accrue to a Government servant for his past services.

NOTE.—(i) For the purpose of clause (B) (a) of Formula No. 1, service rendered by a Government servant on a fixed pay which had been replaced by the pre-revised scale or scales or which has been replaced by the revised scale, shall be counted in computing 'completed years of service.'

(ii) In the case of a Government servant on probation the whole period of service rendered by him in the cadre or post during probation inclusive of the extra period spent, if any, as a result of delay in his confirmation, should be taken into account in determining his 'completed years of service'.

(iii) In the case of a Government servant who was granted advance increments in the pre-revised scale attached to his post in consideration of his higher qualification or previous service rendered elsewhere, the number of advance increments so granted in the pre-revised scale should be taken to represent the number of 'completed years of service' in the pre-revised scale, provided the advance increments were not to be worked off. Where, however, the advance increments were to be worked off, the number of completed years of actual service or the number of completed years corresponding to the number of advance increments granted, whichever is greater, should be regarded as 'completed years of service'.

(iv) A Government servant who was granted advance increments in the existing scale to be worked off, will have to work off the residual increments after his pay is refixed in the revised scale in accordance with these rules.

(v) In the case of a Government servant who had been transferred from one office or department of the Government to another and appointed in a post or service carrying a pay scale identical with the pay-scale attached to his post or service immediately before the transfer, the completed years of his past service rendered in such identical pay-scale should be taken into account in computing his 'completed years of service'.

(vi) In the case of a Government servant who has resigned from one service or post and has joined another or who has been removed from any service or post in pursuance of any disciplinary action, the service rendered by him in such previous service or post shall not be taken into account in computing his "completed years of service."

(vii) The advance increments granted under clause (B)(a) are not be worked off.

#### Formula No. 2

(A) A Government servant shall first be given a financial benefit over his present emolument in the manner indicated below:—

- (i) ten per cent of his present emolument if that emolument is Rs. 200 or less per month;
- (ii) seven and a half per cent of his present emolument if that emolument exceeds Rs. 200 per month but does not exceed Rs. 500 per month; and
- (iii) five per cent of his present emolument if that emolument exceeds Rs. 500 per month but does not exceed Rs. 750 per month.

**NOTE.**—The aggregate of the present emolument and the financial benefit shall not be less than—

- (a) Rs. 220 if the present emolument exceeds Rs. 200 per month;
- (b) Rs. 537.50 P. if the present emolument exceeds Rs. 500 per month; and
- (c) 787.50 P. if the present emolument exceeds Rs. 750 per month.

(ii) In calculating the financial benefit under clause (A) of formula No. 2, where half a paise is involved, it should be taken as one paise.

(B) After a Government servant is given financial benefit as indicated in clause (A) his initial pay shall be fixed—

- (i) if the aggregate of the present emolument and the financial benefit falls short of the minimum of the revised scale, at the minimum of that scale;
- (ii) if the aggregate of the present emolument and the financial benefit corresponds to a stage in the revised scale, at that stage of the revised scale, and
- (iii) if the aggregate of the present emolument and the financial benefit is intermediate between two stages in the revised scale, then at the lower of such stages in that scale *plus* personal pay equal to the difference to be merged in the next increment.

(2) The initial pay of a Government servant in the revised scale shall be refixed separately in respect of—

- (i) the permanent post held substantively and on which he holds a lien or would have held a lien had his lien not been suspended; and
- (ii) the officiating or temporary post held by him or that would have been held by him but for his deputation out of India, temporary transfer to another department of the Government or Central Government or any other State Government or foreign service.

**NOTE.**—Where it becomes necessary to fix the initial pay of a Government servant separately in respect of a permanent post as well as an officiating or temporary post as referred to in sub-rule (2), the fixation should first be made in the revised scale applicable to the officiating or temporary post. The fixation should be made under only one of the two formulae laid down in sub-rule (1) in respect of both the substantive and officiating or temporary posts; that is to say, if the initial pay is fixed in the revised scale applicable to the officiating or temporary post under formula No. 1, as being more favourable, the initial pay in respect of the permanent post also shall be fixed under that formula. Similarly if the initial pay is fixed in respect of the officiating or temporary post under formula No. 2, as being more favourable, the initial pay in respect of the permanent post also shall be fixed under that formula.

(3) (a) Notwithstanding anything contained above, the pay to be allowed to a Government servant in the revised scale should not exceed what he would have drawn had he been in service in the revised scale from the beginning of his service.

(b) In no case the pay to be allowed to a Government servant in the revised scale should exceed the maximum of the scale. In case the initial pay admissible under either of the two formulae laid down in sub-rule (1) happens to exceed the maximum of the revised scale, then the initial pay shall be fixed at the maximum of the revised scale.

(c) It should also be seen that in no case there is reduction in the total emolument of a Government servant. If in any case the amount arrived at happens to be lower than the total emolument of the Government servant, the difference shall be allowed as personal pay to be merged in the next increment. This protection shall be given only at the time of initial fixation of pay in the revised scale and not thereafter.

**NOTE.**—(i) In a case where an increment in the existing scale is due to a Government servant on the date of his being entitled to draw pay in the revised scale, his basic pay is to be calculated taking into account the increment due on that date;

(ii) In the case of a Government servant who is on leave on the date of his being entitled to draw pay in the revised scale, his present emolument should be taken to be the present emolument which would have been admissible to him on that date but for his proceeding on leave. In calculating the present emolument

in such a case, any increment that may be due to the Government servant during the period from the date of his proceeding on leave and the date from which he is entitled to draw pay in the revised scale, should also be taken into account. In case the Government servant proceeded on leave from an officiating post, the above would be subject to a certificate as required under F.R. 26(bb).

(iii) In the case of a Government servant who is on joining time on the date of his being entitled to draw pay in the revised scale, either from duty to duty or on expiry of leave, his present emolument should be determined in the manner indicated in Note (ii) above.

(iv) The amount of personal pay, if any, that is left over after adjustment in the next increment, shall be fully merged or deemed to have been merged in the second increment after the stage at which pay is fixed in the revised scale.

(v) The pay of a Government servant who is under suspension on the date of his being entitled to draw pay in the revised scale, shall be regulated in that scale on termination of his suspension in the manner indicated below.—

(a) if he is dismissed, there is no question of fixation of his pay in the revised scale;

(b) if he is acquitted, his pay in the revised scale on the date of his being entitled to draw pay in that scale shall be fixed on the basis of his present emolument which he would have been entitled to on that date but for his being under suspension; and

(c) if he is not honourably acquitted, and if the period of suspension is converted into leave, his present emolument for the purpose of pay in the revised scale on the date of his being entitled to draw pay in that scale shall be regulated in accordance with the principle set forth in Note (ii) above. If, however, the period of suspension is regularised otherwise than as being on leave and the reinstatement is to be same post, the present emolument that he was entitled to on the date of his being placed under suspension shall be taken as his present emolument on the date on which he is eligible to draw pay in the revised scale. In case the reinstatement is to a post other than the one from which he was placed under suspension, his pay in the revised scale applicable to the other post should, unless the Government directs otherwise be regulated under the normal rules.

(vi) (a) The pay of a Government servant who was temporary reduced to a lower stage in his existing scale prior to the date of his being entitled to draw pay in the revised scale on account of misconduct or inefficiency, and in whose case the reduction was operative on the date of his being entitled to draw pay in the revised scale, should be fixed in the revised scale in the usual manner on the basis of his reduced "pay" in such existing scale. If the competent authority had declared that the reduction should not operate to postpone his future increments, the Government servant should be allowed from the date from which he would have been restored to the unreduced pay in the existing scale, the pay that he would have been drawing in the revised scale but for the reduction. If, however, the reduction to the lower stage was permanent, the fixation of pay in the revised scale on the basis of the Government servant's reduced pay in the existing scale with effect from the date of his being entitled to draw pay in the revised scale will be final.

(b) The above procedure will also apply *mutatis mutandis* in the case of a Government servant who was temporarily reduced to a lower grade or post or was held up at an efficiency bar or at any stage of the existing scale, and where such reduction or bar to increments was operative on the date of his being entitled to draw pay in the revised scale.

(c) In case where a Government servant is held up at an efficiency bar or at any stage of the existing scale on the date of his being entitled to draw pay in the revised scale, he should in addition, be held up at the stage in the revised scale in which his pay is fixed on that date till orders allowing him to cross the stage are issued by the competent authority.

(d) The same principle should also be followed in the case of a Government servant whose pay is reduced to a lower stage in the existing scale, or reduced to a lower grade or post or held up at an efficiency bar or at any stage of the existing scale within the period of option allowed under rule 6.

(vii) (a) Where the corresponding pre-revised scale of a Government servant has no efficiency bar and his pay in the revised scale is fixed at a stage beyond the first efficiency bar in that scale, he should be allowed to draw increments in

the revised scale as usual till he reaches the second efficiency bar. Where, however, pay in the revised scale is fixed at a stage not beyond the first efficiency bar in that scale, the stage at which pay is fixed or the first efficiency bar in the revised scale, whichever is higher, should be treated as the first efficiency bar in such a case.

(b) In a case where a Government servant drawing pay at a stage below the first efficiency bar in the corresponding pre-revised scale, becomes eligible to draw pay at a stage above the first efficiency bar in the revised scale, his pay in that scale should be fixed in the usual manner and the stage at which his pay is fixed in the revised scale should be treated as the first efficiency bar in his case. The same principle should be followed in a case where a second efficiency bar is concerned.

(c) Also, if a Government servant drawing pay at a stage above the first efficiency bar in the corresponding pre-revised scale, becomes eligible to draw pay above the one and only efficiency bar in the revised scale, his pay in that scale should be fixed in the usual manner and the stage at which his pay is fixed in the revised scale should be treated as the efficiency bar in his case though he crossed the first efficiency bar in corresponding pre-revised scale.

(d) In a case where the revised scale has one efficiency bar with one such bar in the corresponding pre-revised scale and a Government servant has been drawing pay above the only efficiency bar in the latter, the stage at which pay is fixed and which is above the efficiency bar stage in the revised scale should be treated as the efficiency bar.

(e) Where the revised scale has two efficiency bars with one such bar in the corresponding pre-revised scale and a Government servant who has been drawing pay above the only efficiency bar in the latter is entitled to have his pay fixed at a stage intermediate between the two efficiency bar stages in the revised scale, the stage in the revised scale at which pay is fixed should be treated as an efficiency bar in his case.

(viii) An Under Secretary to the Government gets a special pay of Rs. 100 per month over his grade pay. The dearness allowance admissible on the basic pay will be taken into account for the purpose of fixation of pay in the revised scale but not the dearness allowance admissible on the special pay. Consequently there may be a drop in the total emolument of the officer on his pay being fixed in the revised scale. Such a drop, if any, shall be protected by the grant of personal pay, not to be absorbed in future increases of pay. This personal pay will continue to be available as long as the Officer continues to hold the existing post. Similar protection shall be admissible in the case of other officers holding posts where special pay is attached to the posts and the cases are similar to the case referred to above.

(ix) In case a Government servant in a cadre or class within a cadre happens to get his pay fixed at a stage in the revised scale which is equal to the stage at which the pay of another Government servant, junior to him, in the cadre or class within the cadre, is fixed or if at any time the pay in the revised scale attained by the senior Government servant happens to be equal to the pay attained by any of his juniors in the cadre or class within the cadre, in both the cases, the causes being otherwise than those mentioned in Note (ii) below rule 10 and the amount of personal pay admissible to the junior Government servant under Clause (B)(iii) of formula No. 2 happens to exceed the personal pay admissible to the senior under the same clause, then the amount of personal pay admissible to the senior Government servant shall be increased so as to be equal to the amount of personal pay admissible to the junior Government servant.

(x) The personal pay admissible to a Government servant under sub-rules (1) and (3) shall be treated as pay for all purposes.

(xi) The form to be used in fixation of initial pay in the revised scales under rule 9 is given in appendix II.

10. Date of next increment.—The next increments of a Government servant whose pay has been fixed in the revised scale in accordance with rule 9 shall be granted on the date on which he would have drawn his increment had he continued in his existing scale provided that in the case of a Government servant who was drawing pay at the maximum of the pre-revised scale before coming over to the revised scale, the next increment shall be granted to him on the date on which

he would have drawn his increment in the pre-revised scale had he not reached the maximum or on the date on which an increment is earned by him in the revised scale, whichever is earlier.

NOTE.—(i) In a case where solely as a result of operation of rule 10, a Government servant drawing pay in the pre-revised scale, equal to or less than that of his senior or seniors in the same cadre and similarly appointed, draws his next increment in the revised scale on a date earlier than such senior or seniors whereby his pay is raised to a stage higher than that of such senior or seniors, the date of next increment of the senior or seniors shall be advanced to the date on which the junior Government servant draws his next increment;

(ii) The benefit of advancing the date of next increment as mentioned in clause (i) will not be applicable in a case where a junior Government servant may have his initial pay fixed at a higher stage or draws the next increment in the revised scale earlier than his senior or seniors on the strength of his officiating service in the higher grade. This concession will also not be admissible to a senior Government servant in respect of any period for which his increment in the revised scale is postponed due to matters unconnected with these rules, namely:—

- (a) withholding of increments as a result of disciplinary action or failure to pass the departmental examination or prescribed training;
- (b) periods which do not qualify for increment under the Fundamental Rules or any orders made thereunder; and
- (c) extra-ordinary leave not specially allowed to count for increments, or in the case of a Government servant who is officiating in a post and where a certificate as prescribed in Fundamental Rule 26(bb) has not been furnished.

(iii) Subsequent increments of a Government servant whose pay is advanced as above will be regulated in the usual manner.

11. Fixation of pay in the revised scale in respect of a Government servant appointed on or after the 1st April 1964, but before the date of publication of these rules.—(1) Where a Government servant who had, on any occasion or occasions, officiated in a post prior to the 1st April, 1964, but was not holding the post on that date, becomes liable to draw pay in the revised scale on his subsequent appointment to the post, his initial pay in that scale, on the date of his so becoming liable, shall be fixed under the Fundamental Rules; provided that it shall not be less than the total emolument admissible to him on the last such occasion and he shall count for increment in the stage of the revised scale at which his initial pay is fixed, the period during which he drew that total emolument on any previous occasion.

(2) Where a Government servant entering service on or after the 1st April, 1964, but before the publication of these rules, retains the existing scale under rule 6 and is brought over to the revised scale with effect from a date subsequent to the date of his appointment, his initial pay in the revised scale shall be fixed under the Fundamental Rules; provided that it shall not be less than the total emolument admissible to him in the existing scale on the date from which he is brought over to the revised scale and the period during which he drew that total emolument shall be counted for increment in the stage of the revised scale at which his initial pay is fixed.

NOTE.—(1) If the total emolument referred to in sub-rules (1) and (2) does not correspond to a stage in the revised scale and is intermediate between two stages, then the initial pay shall be fixed in the lower of such stages, the difference being treated as personal pay to be adjusted against future increases of pay and which is to be treated as pay for all purposes.

(ii) Where the initial pay of an officer holding a tenure post to which a special pay is attached, is required to be fixed under rule 11, the provision of Note (viii) below rule 9(3)(c) will apply.

(iii) The form to be used in fixation of initial pay in the revised scales under the Fundamental Rules as referred to in rule 11 is given in Appendix III.

12. Cases not covered by these rules.—Cases not covered by these rules shall be decided on merits by the President.

13. Overriding effect of the rules.—In cases where pay is regulated under these rules, the provisions of the Fundamental Rules shall not apply to the extent they are inconsistent with these rules.

14. Typical Illustrations.—Some typical illustrations of fixation of pay in the revised scales are given in Appendix V. to these rules.

## APPENDIX V

*Illustrations of fixation of pay in the revised scales under the Manipur Employees (Revision of Pay) Rules, 1966*

(i) A peon serving in the Imphal Treasury has been drawing pay at Rs. 32 per mensem in the existing scale of Rs. 28—0.50—34—1—40. He does not exercise option to retain the existing scale for any period beyond the 1st April, 1964, the date of introduction of the revised scales. His pay is to be fixed in the revised scale of Rs. 80—1—90—2—100—2.50—115—3—130 with effect from the 1st April, 1964, as he is to be automatically brought over to the revised scale from that date under rule 8(4) of the Manipur Employees (Revision of Pay) Rules, 1964.

He entered into Government service as a Peon on the 1st of February, 1956, and has, therefore, eight completed years of service at his credit on the 1st April 1966.

On his basic pay of Rs. 32 per mensem, he had been drawing the following allowances on the 1st April, 1964:—

Dearness Allowance	....	10.00
Extra dearness allowance	....	6.00
<i>Ad-hoc</i> increase in dearness allowance	....	5.00
Cash allowance	....	13.50
Total		<u>34.50</u>

His present emolument, therefore, stood at Rs. 32 plus Rs. 34.50 p. or Rs. 66.50 p. per mensem and the total emolument at Rs. 74.00 p., i.e. Rs. 66.50 p. plus the interim relief of Rs. 7.50 p.

The minimum of the revised scale is Rs. 80 which is more than the present emolument of Rs. 66.50 per mensem. So under formula No. 1 of the rule 9(1), the initial pay admissible is Rs. 80 plus a weightage of two increments of Re. 1 each, i.e., at Rs. 82 which is more than his total emolument of Rs. 74 per mensem.

Had the peon been drawing pay in the revised scale from the 1st January 1957, the date from which his service began under the Government, he would, on the 1st April, 1964 have drawn a pay of Rs. 88 per mensem which is more than the initial pay of Rs. 82 per mensem admissible under formula No. 1 of rule 9(1).

Again as his present emolument on the 1st April, 1964, is Rs. 66.50 per mensem, which is less than Rs. 200, under formula No. 2 of rule 9(1), a minimum financial benefit of 10 per cent of his present emolument is admissible to him. Ten per cent

of Rs. 66.50 is Rs. 6.65 p. which is less than the benefit of Rs. 15.50. (i.e. Rs. 82—Rs. 66.50) admissible to him under formula No. 1.

So under rule 9(1), his pay should be finally fixed at Rs. 82 per mensem with effect from the 1st April 1964.

He drew his last increment in the pre-revised scale raising his pay to Rs. 32 with effect from the 1st October, 1963. So under rule 10, he will get the next increment in the revised scale raising his pay to Rs. 83 per mensem with effect from the 1st October, 1964.

(ii) A peon serving at Ukhuil has been drawing pay at Rs. 40 per mensem, the maximum of the existing scale of Rs. 28—0.50—34—1—40. He does not exercise option to retain the existing scale for any period beyond the 1st April, 1964. His pay is required to be fixed in the revised scale of Rs. 80—1—90—2—100—2.50—115—3—130 with effect from the 1st April, 1964, as he is to be automatically brought over to the revised scale from that date under rule 8(4) of the Manipur Employees (Revision of Pay) Rules, 1966.

He has, on the 1st April, 1964, got 15 years' of service as a Peon at his credit.

On his basic pay of Rs. 40 p.m., he was, for the purpose of present emolument, entitled to draw the following allowances on the 1st April, 1964:—

	Rs. P.
Dearness allowance	.... 10.00
Extra dearness allowance	.... 6.00
Cash allowance	.... 13.50
Total	<u>29.50</u>

His present emolument, therefore, stood at Rs. 40 plus Rs. 29.50 p. or Rs. 69.50 per mensem and the total emolument at Rs. 74.50 p. with the interim relief of Rs. 5 per mensem.

The minimum of the revised scale is Rs. 80, which is more than his present emolument of Rs. 69.50 p. Under formula No. 1 of rule 9(1), the initial pay admissible is Rs. 80 plus a weightage equivalent to three increments of Re. 1 each i.e., Rs. 83. Then under rule 9(3) (a), it should be seen what pay the peon would have drawn had he been serving on the revised scale from the beginning of his service. In this case the pay admissible in the revised scale would have been Rs. 100 after 15 years of service in the revised scale, which is more than Rs. 83 the pay admissible under formula No. 1 of the rule 9(1).

Again under clause (A)(i) of formula No. 2 of rule 9(1), a minimum financial benefit of 10 per cent over his present emolument of Rs. 69.50 p. per mensem is admissible to him. 10 per cent of Rs. 69.50 p. stands at Rs. 6.95 p. So the pay admissible to him under clause (A)(i) of formula No. 2 of rule 9(1) stands at Rs. 69.50 p. plus Rs. 6.95 p. or Rs. 76.45 p. which is less than Rs. 80, the minimum of the revised scale.

Hence, his pay is to be finally fixed under formula No. 1 of rule 9(1), i.e. at Rs. 83.

The peon drew his last increment with effect from the 20th December, 1963. So under rule 10 he will be entitled to the next increment in the revised scale raising his pay to Rs. 84 per mensem with effect from the 20th December, 1964.

(iii) A Lower Division Clerk serving in the Election Office has been drawing pay at Rs. 96 per mensem in the existing scale of Rs. 60—4—80—EB—4—100—(EB)—5—125. He is still temporary in his appointment and has no permanent post elsewhere under the Manipur Government, held in a substantive capacity. He does not exercise option under rule 6 to retain the existing scale for any period beyond the 1st April, 1964, the date of introduction of the revised scales. His pay is to be fixed in the revised scale of Rs. 125—4—145—(EB)—4—165—(EB)—5—200 with effect from the 1st April, 1964, as he is to be automatically brought over to the revised scale from that date under rule 8(4) of the Manipur Employees (Revision of Pay) Rules, 1966.

He entered the Government service as a Lower Division Clerk on the 1st December, 1954, and has, therefore, nine completed years of service at his credit on the 1st April, 1964.

On his basic pay of Rs. 96 per mensem, he had been drawing the following allowances on the 1st April, 1964:—

Dearness allowance	....	14.40
Extra Dearness allowance	....	6.00
Cash allowance	....	13.50
Total		<u>33.90</u>

His present emolument, therefore, stood at Rs. 96.00 p. plus Rs. 33.90 p. or Rs. 129.90 p. and the total emolument at Rs. 137.40 p. per mensem, i.e., present emolument of Rs. 129.90 p. plus the interim relief of Rs. 7.50 p.

His present emolument is Rs. 129.90 p. So under clause (A) (iii) of formula 1 of rule 9(1), his pay in the revised scale is first to be fixed at Rs. 133, i.e., the stage next higher than Rs. 129.90 p. As the maximum of the revised scale is Rs. 200, under clause (B) (a) (ii) of formula No. 1 of rule 9(1), he is entitled to two advance increments. So his pay will have to be fixed at Rs. 133 plus Rs. 8 i.e., Rs. 141.

Again his present emolument on the 1st April, 1964, was Rs. 129.90 p. per mensem which is less than Rs. 200. So under clause (A) (i) of formula No. 2 of rule 9(1), a minimum financial benefit of 10 per cent of his present emolument is admissible to him. 10 per cent of Rs. 129.90 p. is Rs. 12.99 p. which is more than the benefit of Rs. 11.10 p. (i.e. Rs. 141—Rs. 129.90 p.) admissible to him under formula No. 1 of rule 9(1).

So under clause (B) (iii) of formula No. 2, his pay should be finally fixed at Rs. 129.90 p. plus 12.99 p., i.e. at Rs. 142.89 p. As there is no stage at Rs. 142.89 p. in the revised scale, his pay should be fixed at Rs. 141 plus a personal pay of Rs. 1.89 p. to be merged in the next increment.

Now, under rule 9(3)(a), it is to be seen as to what pay the Clerk would have drawn on the 1st April, 1964, had his service been in the revised scale from the date from which he entered the Government service, i.e., from the 1st December, 1954. In the present case, it would have been Rs. 161 per mensem. So the pay proposed, i.e., Rs. 141 plus a personal pay of Rs. 1.89 p. per mensem is admissible to the Clerk.

He drew his last increment in the prerevised scale on the 1st December, 1963. So under rule 10, he will get the next increment in the revised scale raising his pay to Rs. 145 per mensem with effect from the 1st December, 1964.

(iv) A permanent Superintendent in the Office of the Principal Engineer, P.W.D. has been drawing pay at the rate of Rs. 340 per mensem in the existing scale of Rs. 250—18—340—(EB)—20—400. He does not exercise option to retain the existing scale beyond the 1st April, 1964, the date of introduction of the revised scales of pay. His pay is to be fixed in the revised scale of pay of Rs. 375—20—475—(EB)—20—575 with effect from the 1st April, 1964, as he is to be automatically brought over to the revised scale of pay from that date under rule 8(4) of the Manipur Employees (Revision of Pay) Rules, 1966.

He entered into government service as a Lower Division Clerk on the 1st August, 1945 and has been working as Superintendent since the 1st July, 1954.

His basic pay is Rs. 340 per mensem. The present emolument is Rs. 399.50 p. i.e. pay: Rs. 340 plus Cost of Living Allowance: Rs. 59.50 p. and the total emolument also is Rs. 399.50 p.

As the maximum of the revised scale is more than Rs. 500, under clause (B) (b) of formula No. 1, no advance increment is admissible for his past services. Under clause (A) (iii) of formula No. 1, he is entitled to get only the benefit of the next higher stage in the revised scale. His present emolument is Rs. 399.50 p. The stage next higher than Rs. 399.50 p. is Rs. 415.00 p. So under formula No. 1 of rule 9(1), he is entitled to get his pay fixed at Rs. 415.00 p. which would give him a financial benefit of Rs. 415 minus Rs. 399.50 p. or Rs. 15.50 p.

Again, as his present emolument on the 1st April, 1964, was Rs. 399.50, under clause (A) (ii) of formula No. 2, a minimum financial benefit of 7.50 per cent of his present emolument is admissible. 7.50 per cent of Rs. 399.50 p. is Rs. 29.97, which is more than the benefit of Rs. 15.50 p., admissible under formula No. 1. So under clause (B) (iii) of formula No. 2 he is entitled to get his pay fixed at Rs. 399.50 p. plus Rs. 29.97 p., or Rs. 429.47, i.e., Rs. 415 plus a personal pay of Rs. 14.47 p., to be merged in the next increment.

Had he been drawing pay in the revised scale from the date from which his services began under the Manipur Government (i.e., the 1st August, 1945) he would, on the 1st April, 1964, have drawn pay of Rs. 575.00, which is more than the pay proposed to be fixed.

Again under rule 9(3) (c), it should be seen that in no case there is reduction in the total emolument of a Government servant. In this case, the total emolument was Rs. 399.50 p., and the pay admissible is Rs. 429.46 p. So his pay should be finally fixed at Rs. 415 plus Rs. 14.47 p. as personal pay to be merged in the next increment.

The date of his last increment was the 1st July, 1963. As such, under rule 10, he will get his next increment raising his pay from Rs. 415.00 p. to Rs. 435.00 p. per mensem with effect from the 1st July, 1964.

(v) Shri X first entered service on the 30th October, 1951 as a Lower Division Clerk in the Office of the Deputy Commissioner. He was transferred to the Secretariat as a Lower Division Clerk on the 19th January, 1954 in which cadre he was eventually confirmed in the existing Scale of Rs. 75—6—105—(EB)—7—140—(EB)—7—175 with effect from a date prior to the 1st April, 1964. He was promoted to officiate in the Upper Division in the existing scale of Rs. 175—10—225—(EB)—10—275 in a continuous chain with effect from the 16th July, 1958. Before that date he officiated in the Upper Division in short-term vacancies on different occasions, the total of the broken period of service being 7 months 27 days.

His officiating pay as an Upper Division Clerk on the 1st April, 1964 was Rs. 235/- per mensem.

He does not exercise option under rule 6 to retain the existing scale applicable to either his substantive or officiating post and his pay is required to be fixed in the revised scales both in respect of his substantive as well as officiating posts, which are respectively Rs. 140—6—170—(EB)—7—205—(EB)—7—275 and Rs. 275—10—325—(EB)—10—375 with effect from 1st April, 1964, as under rule 8(4) he is to be automatically brought over to the revised scales in respect of both the posts with effect from that date.

Under rule 9(1), read with the Note below rule 9(2), it is to be seen whether the principle embodied in formula No. 1 of rule 9(1) or that embodied in formula No. 2 of rule 9(1) will be more favourable in fixing his pay in his officiating post of Upper Division Clerk.

On his officiating pay of Rs. 235 per mensem, the following allowances are admissible for the purpose of present emolument:—

	Rs. p.
Dearness allowance	41.13
Cash allowance	13.50
Total	54.63

His present emolument on the 1st April, 1964, therefore, amounted to Rs. 235 plus Rs. 54.63 p. or Rs. 289.63 p. and total emolument at Rs. 297.13 p. per mensem, i.e., (Present emolument of Rs. 289.63 p. plus the interim relief of Rs. 7.50 p.)

Now, the present emolument of Rs. 289.63 p. is intermediate between the stages of Rs. 285 and Rs. 295 of the revised scale. So under clause (A) (iii) of formula No. 1 of rule 9(1), he is to be given the stage next higher than Rs. 289.63 p., i.e., the stage of Rs. 295/-.

From the 16th July, 1958 to the 31st March, 1964, the length of his continuous officiating service stood at 5 years 7 months 16 days. This together with the broken period of 7 months 27 days, the number of completed years of his service in the post stood at 6, for which he is entitled to a weightage to the extent of one increment of Rs. 10 under clause (B) (ii) of formula No. 1. So the initial pay admissible to him in the revised scale under formula No. 1 of rule 9(1) stands at Rs. 305 p.m. (i.e. Rs. 295 plus Rs. 10).

Again under clause (A) (ii) of formula No. 2, as his present emolument of Rs. 289.63 p. is less than Rs. 500, a minimum financial benefit of 7.50 per cent of Rs. 289.63 p. which comes to Rs. 21.72 p. is admissible to him. As this is more than the benefit of Rs. 15.37 p. (i.e. Rs. 305.00—Rs. 289.63) admissible under formula No. 1 of rule 9(1), his pay should, under clause (B) (iii) of formula No. 2, be fixed at Rs. 289.63 p. plus Rs. 21.72 p. or at Rs. 311.35 p. As this amount happens to be intermediate between two stages in the revised scale, his pay should

finally be fixed at Rs. 305 plus a personal pay of Rs. 6.35 p. to be merged in the next increment.

The clerk has been in service of the Manipur Government from the 30th October, 1961, i.e. for over 12 years during which his pay in the revised scale applicable to his officiating post of Upper Division Clerk would have risen to Rs. 375. The pay of Rs. 311.35 p. arrived at as above, being less than Rs. 375, is not, therefore, inadmissible to him.

He drew his last increment in the existing scale with effect from the 19th December, 1963. So under rule 10, he will draw the next increment raising his pay to Rs. 315 in the revised scale with effect from the 19th December, 1964.

As his pay in the revised scale in respect of his officiating post of Upper Division Clerk has been fixed in accordance with the principle laid down in formula No. 2 of rule 9(1), his pay in revised scale in respect of his substantive post of Lower Division Clerk, also should be regulated with effect from the 1st April, 1964, under the principle laid down in the same formula.

(vi) An officiating Upper Division Clerk of Deputy Commissioner's Office has been drawing pay at Rs. 170.00 p.m. with effect from 1st November, 1963. Under rule 6 of the Manipur Employees (Revision of Pay) Rules, 1966, he wants to retain the existing scale in respect of his officiating post upto the date of his next increment, i.e., the 1st November, 1964, raising his pay from Rs. 170.00 p. to Rs. 175.00 p. p.m. His pay is, therefore, to be first fixed in the revised scale of Rs. 200—6—236—(EB)—8—300 applicable to the post of Upper Division Clerk with effect from the 1st November, 1964.

He entered into Government service as a Lower Division Clerk on the 1st June, 1948 and had been promoted as an Upper Division Clerk with effect from the 1st November, 1954.

His basic pay in the officiating post of Upper Division Clerk on the 1st November, 1964, was Rs. 175.00 p.m. On his basic pay of Rs. 175.00 p., he was, for the purpose of present emolument, entitled to draw the following allowance on the 1st November, 1964:—

	Rs. p.
Dearness allowance	.... 30.63
Cash allowance	.... 13.50
Total	44.13

His present emolument, therefore, stood at Rs. 175.00 p. plus Rs. 44.13 p. or Rs. 219.13 p. and the total emolument at Rs. 219.13 p. plus the interim of Rs. 7.50 p. or at Rs. 226.63 p.

His present emolument is Rs. 219.13 p. So, under clause (A) (iii) of formula No. 1 of rule 9(1), his pay in the revised scale is first to be fixed at Rs. 224.00 p., i.e., the stage next higher than Rs. 219.13 p. As the maximum of the revised scale is Rs. 300.00 p., i.e., more than Rs. 200 and less than Rs. 500, under clause (B) (a) (iii) of formula No. 1 of rule 9(1), he is entitled to a weightage equivalent to one advance increment for his past services. So, his pay will have to be fixed at Rs. 224.00 p. plus Rs. 6.00, i.e., Rs. 230.00 p. p.m.

Again, as his present emolument is Rs. 219.13 p. which is more than Rs. 200 but less than Rs. 500.00 p., under clause (A) (ii) of formula No. 2 rule 9(1), a minimum financial benefit of 7.50 per cent of his present emolument is admissible to him. 7.50 per cent of Rs. 219.13 p. is Rs. 16.44 p., which is more than the benefit of Rs. 10.87 p. (i.e., Rs. 230.00—Rs. 219.13 p.) admissible to him under formula No. 1.

So, under clause (B) (ii) of formula No. 2, his pay should be finally fixed at Rs. 235.57 p. i.e., at Rs. 230.00 p. plus a personal pay of Rs. 5.57 p., to be merged in the next increment.

Had he been drawing pay in the revised scale from the date from which his services began under the Manipur Government (i.e., the 1st June, 1948), he would, on the 1st November, 1964, have drawn Rs. 300.00 p. which is more than the pay proposed to be fixed.

He drew his last increment raising his pay from Rs. 170.00 p. to Rs. 175.00 p. with effect from the 1st November, 1964. So, under rule 10, he will draw the next increment raising his pay from Rs. 230.00 p. to Rs. 236.00 p., in the revised scale with effect from the 1st November, 1965.

Under Note (i) below rule 6, his pay in the revised scale in respect of his substantive post of Lower Division Clerk will have to be fixed with effect from the 1st April, 1964.

As his pay in the revised scale in respect of his officiating post of Upper Division Clerk has been fixed in accordance with the formula No. (2) of rule 9(1), being more favourable to him under Note below rule 9(2), his pay in the revised scale in respect of his substantive post of Lower Division Clerk also should be regulated in accordance with formula No. 2 of rule 9(1) with effect from the 1st April, 1964.

(vii) An outsider was appointed in the scale of pay of Rs. 200—20—300—25—400—(EB)—25—500 with effect from the 1st June, 1964.

The scale of pay of Rs. 200—500 has been revised to Rs. 250—20—350—EB—20—450—EB—25—700. Under rule 6 of the Manipur Employees (Revision of pay) Rules, 1966, he wants to retain the existing scale upto the date of his next increment which is the 1st June, 1965, raising his pay to Rs. 220.00 p. per mensem. As he was appointed to the post after the 1st April, 1964 but before the publication of the Manipur Employees (Revision of Pay) Rules, 1966, his pay in the revised scale, will have to be fixed, under rule 11 with effect from the 1st June, 1965.

His basic pay on the 1st June, 1965, will be Rs. 220.00 p. and his total emolument will be Rs. 275.50 p. (i.e., pay Rs. 220.00 p., D.A. Rs. 38.50, Cash Allowance; Rs. 13.50 p. and the interim relief of Rs. 7.50 p.).

In the revised scale of Rs. 250—20—350—(EB)—20—450—(EB)—25—700, there is no stage of Rs. 279.50 p. So, under Note (1) below rule 11, his pay will have to be fixed at Rs. 270 plus a personal pay of Rs. 9.50 p. per mensem to be merged in the next increment, which shall be due on the 1st June, 1966.

(viii) An Under Secretary to the Government drawn from the Extra Assistant Commissioner's cadre has been drawing a pay of Rs. 450/- per mensem in existing scale of Rs. 250—25—300—30—450—(EB)—30—600—(EB)—35—800 plus a special pay of Rs. 100 per mensem. He does not exercise option to retain the existing scale beyond the 1st April, 1964, the date of introduction of the revised scale of pay. His pay is to be fixed in the revised scale of Rs. 350—30—500—EB—30—650—(EB)—35—1000, with effect from the 1st April, 1964, as he is to be automatically brought over to the revised scale from that date under rule 8(4) of the Manipur Employees (Revision of Pay) Rules, 1966.

He joined the Extra Assistant Commissioner's cadre on the 1st July, 1956 and had been posted to the Secretariat as Under Secretary since the 1st August, 1963.

His basic pay on the 1st April, 1964 was Rs. 450. plus a special pay of Rs. 100 per mensem. Under Note (viii) below rule 9(3)(c), only the dearness allowance admissible on the basic pay should be taken into account for the purpose of fixation of pay in the revised scale. His present emolument is Rs. 528.75 p. (i.e., pay; Rs. 450.00 p. plus cost of Living Allowance; Rs. 78.75 p.) and the total emolument including the special pay of Rs. 100.00 p. and the dearness allowance of Rs. 17.50 p. admissible on it is Rs. 646.25 p.

As the maximum of the revised scale is more than Rs. 500 under clause (B) (b) of formula No. 1 of rule 9(1) no advance increment is admissible for his past service. Under clause (A) (iii) of formula No. 1 of rule 9(1), he is entitled to get only the benefit of the next higher stage in the revised scale. His present emolument is Rs. 528.75 p. The stage next higher than Rs. 528.75 p. is Rs. 530.00 p. So, under formula No. 1 of rule 9(1), he is entitled to get his pay fixed at Rs. 530.00 p. per mensem which will give him a benefit of Rs. 1.25 p. per mensem (i.e., Rs. 530.00 p.—Rs. 528.75 p.).

Again, as his present emolument of Rs. 528.75 p. exceeds Rs. 500 but does not exceed Rs. 750, under clause (A) (iii) of formula No. 2 of rule 9(1), a minimum financial benefit of Rs. 5 per cent of his present emolument is admissible. 5 per cent of Rs. 528.75 p. is Rs. 26.44 p. which is more than the benefit of Rs. 1.25 p. admissible under formula No. 1 of rule 9(1). So under clause (B) (iii) of formula No. 2 of rule 9(1) he is entitled to get his pay fixed at Rs. 528.75 p. plus

Rs. 26.44 p. i.e., at Rs. 555.19 p. As there is no stage at Rs. 555.19 p. in the revised scale his pay should be fixed at Rs. 530 (i.e. the next lower stage) plus a personal pay of Rs. 25.19 p. per mensem to be merged in the next increment.

Under rule 9(3) (a), it should be seen what pay he would have drawn, had he been in service in the revised scale from the beginning of his service under the Government. He has been in service under the Government with effect from 1st July, 1959. Had he been in the revised scale with effect from the 1st July, 1959, he would have drawn Rs. 560 on the 1st April, 1964. The pay of Rs. 555.19 p. proposed to be fixed is less than Rs. 560 and hence the pay proposed to be fixed is not inadmissible to him.

Again, under Note (viii) below rule 9(3) (c), it should be seen whether in such a case there is drop in the total emolument drawn by a Government servant including dearness Allowance on the special pay. Such drop, if any, should be protected by the grant of personal pay, not to be absorbed in future increases of pay. This personal pay should be made available as long as the officer continues to hold the tenure post.

His present emolument is Rs. 528.75 p. and the total emolument including dearness Allowance of Rs. 17.50 p. admissible on the special pay of Rs. 100 is Rs. 528.75 plus Rs. 117.50 p. or Rs. 646.25 p. But the aggregate of pay and special pay of Rs. 200 per mensem in the revised scale will stand at Rs. 755.19 p. per mensem. There is no drop in the total emolument. So his pay should be fixed as follows:—

Pay Rs. 530 plus a personal pay of Rs. 25.19 p. to be merged in the next increment. In addition, he will be entitled to the special pay of Rs. 200 per mensem.

The date of his last increment raising his pay from Rs. 420 to Rs. 450 was the 1st July, 1963. So under rule 10, he will get his next increment raising his pay from Rs. 530 to Rs. 560 with effect from the 1st July, 1964.

New Delhi, the 16th February 1966

S.O. 595.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Chandigarh in respect of an industrial dispute between the employers in relation to the Punjab National Bank Limited and their workmen which was received by the Central Government on the 7th February, 1966.

BEFORE SHRI K. L. GOSAIN, PRESIDING OFFICER, INDUSTRIAL TRIBUNAL, CHANDIGARH

REFERENCE No. 2/C of 1965

BETWEEN:

The employers in relation to the Punjab National Bank Ltd., and their workmen in respect of the transfer of Shri Raj Kumar Bhalla Teller.

PRESENCE:

Shri C. L. Bhardwaj, President, Punjab National Organisation of Bank workers.

Shri M. K. Jain.—for the Management.

## AWARD

Shri Raj Kumar Bhalla an employee of the Punjab National Bank Ltd. was working as a Teller in the Ferozepore Cantonment Branch of the said Bank. The Bank transferred him to Jammu Tawi Branch and a demand was raised by the Trade Union of the workmen that the transfer being an act of victimisation should be set aside and that Shri Raj Kumar Bhalla should be allowed to work as a teller in the Ferozepore Cantonment Branch. The employers did not concede the dispute to this tribunal for adjudication vide their Order of 9th July, 1965. failed. The Government of India, Ministry of Labour and Employment, New Delhi, then passed requisite orders under Section 7-A read with clause (d) of Sub-Section (1) of Section 10 of the Industrial Disputes Act, 1947 and referred the dispute to this tribunal for adjudication vide their Order of 9th July, 1965.

The two items of dispute as mentioned in the order of the Government are as follows:—

1. Whether the action of management of Punjab National Bank Ltd., in transferring Shri Raj Kumar Bhalla, Teller from Ferozepur Cantonment to Jammu Tawi Branch is an act of victimisation?
2. If so, to what relief is the employee entitled?

Usual notices were issued to the parties and in response to the same the workmen filed their statement of claim and the management filed their written statement to the same. Necessary Issues were then framed and parties were called upon to lead their evidence in respect of the same. After the conclusion of practically the entire evidence the representatives of the parties informed me that a mutual settlement had been arrived at between them and I recorded their statements on the said point. The Bank has agreed that Shri Raj Kumar would be transferred as a clerk to an office if any is opened in the Second Class area of the Punjab and would be utilised as a teller as and when tellers system is introduced in that office. In view of this agreement the workmen have decided to withdraw the demand covered by the two items of dispute. In terms of the above said settlement the demand is dismissed as withdrawn. No order as to costs.

In the Matter of an Industrial Dispute.

#### **BETWEEN**

The Rajasthan Bank Employees Union, Ajmer.

#### **AND**

The Central Bank of India Ltd., Bombay.

Date of Award: 3rd February, 1966.

#### **AWARD**

The following dispute was referred under Section 10 of the Industrial Disputes Act on the 3rd July, 1965, for adjudication between the Central Bank of India Ltd. and their workmen:—

- (1) "Whether the management of the Bank was justified in superseding Sharvashri Bhuvneswar Chatrimal and M. P. Chandramani employed at their Ajmer branch and promoting the junior employees of the Bank?
- (2) If not, to what relief are the said employees entitled?"

After the parties had filed their pleadings and had entered upon producing evidence, the workmen concerned submitted an application for withdrawal of the case for the reason that they had amicably settled the dispute out of the Court. The Union representing the workmen also endorsed the application.

A no dispute award is, therefore, passed. Let a copy of the award be submitted to the Government of India in Ministry of Labour and Employment for publication.
